Docket No. A2011-60

PUBLIC REPRESENTATIVE'S MOTION FOR ACCEPTANCE OF FILING

(September 13, 2011)

A development late last week in this case — namely, the emergency suspension of the Gepp (“jeep”) Arkansas Post Office (apparently based on a “5-day break” clause in an employment clause) — has several implications in terms of the interests of the general public in appeals of post office closings. Accordingly, the Public Representative moves for acceptance of an accompanying filing captioned “Public Representative’s Notice of Emergency Suspension and Request for Related Relief.” That document brings certain information to the Commission’s attention and requests equitable relief.

Petitioners and the Postal Service attorney assigned to this case have been informed of my intention to file these documents.

Respectfully submitted,

Patricia A. (Pat) Gallagher
Public Representative
